EMBRACING THE UNIQUENESS OF EACH CHILD THROUGH THE MESSAGE OF GOD'S LOVE

LEARNING TO LOVE; LOVING TO LEARN...

Thank you so much!

We do not have the full amount yet, however we so far have over £3,500 raised from our school fete!

This is incredible, especially considering the dreadful weather. This will make such a difference to our school and I really do feel humbled by the incredible community spirit that we have at Our Lady's.

Thank you in particular to our incredibly committed PTA who worked so, so hard to make the fete the best we have ever had.

Thank you to all those who supported in any way – from Hilltop Farm to those who entered our Bake Off – all of you are brilliant and we are so grateful.

Please continue to support us by coming to the Family Picnic before sport's day next Thursday, where we will be selling lollies and refreshments, all proceeds going towards our grand total.

Thank you and farewell

Chris Smart, our chair of governors is stepping down at the end of this year. He has supported Our Lady's for many, many years and will be greatly missed. I would like to give my personal thanks for the support that he has shown me over my first year of headship.

We will be celebrating his time with us during the Year 6 leavers Mass at Wappenbury.

We will be collecting for him as a governing body and school and if you would like to show your appreciation by adding to this collection, please see Mrs Davenport.

Thank you

Please continue to pray for...

Rod Clarke is at home. He is fine but has had his major operation delayed for another five weeks.

If you would like to contribute to a whole school collection for him, please send money in a clearly marked envelope to the office. Thank you.

Bus Passes

These will be sent home on Monday 4th July with the children in a named envelope.

Class Photos

All orders should be back in school by Tuesday 5th July to ensure Braiswick can process them before the end of term. All orders received after this date are subject to a £4 admin charge imposed by Braiswick and these orders will not arrive in school until September.

Attendance

This week's attendance: 95%

This is disappointing. Please can I remind you of the importance of your child's education and the need to seek permission before keeping your children off from school when not for a medical reason.

Imagineering Club

Well done to our imagineering club children, who took part in their final races last night. There was some brilliant competition and sportsmanship from all! The children particularly enjoyed trying to manoeuvre the course with cups of water attached to their go kart, losing points if they lost any water on the way! Certificates and final results of the races will be awarded in the final session of the club for this year, next Thursday evening. Thank you to all parents who came along to support the event.

Woodwind lessons

We only have one child on the list for September and therefore, unfortunately, we cannot afford to keep Mrs Fulford on at school. She is happy to provide private lessons and her contact details are: 01327 262529 mobile: 07775915790

Junior Educational Trip to Ryton

What fun we all had this week at Ryton! The Year 3 and 4 children did orienteering in the morning and den building in the afternoon and the Year 5 and 6 children did pond dipping in the morning and insect identification in the afternoon. They were all brilliant and the rangers commented on their excellent behaviour during the session. Thank you

to the parents who came along to help us out.

Mile a day

Just a reminder that children need their trainers everyday so that they can run their mile! Children are also having extra PE sessions over the next week in preparation for sports day and other sporting events that are taking place.

We welcome:

Darcy into Year 5. She has settled beautifully and is already a real asset to our school community. We welcome her family and look forward to working in partnership with you as Darcy continues on her learning journey with us.

Family Mass Dates

This will take place up at Princethorpe Chapel: 17th July

Leaver's Mass - for all Year 6 children 13th July. This is now doubling up as a thanksgiving Mass for Chris Smart.

Charley, Harvey, Tristan, James B and Sebby's Romeo and Juliet scene

Athletics

We wish our junior athletes the very best of luck today! They have been working really hard, practicing at least three times a week, on top of their daily running and PE lessons, so that they can perform at their very best today. Thank you to Miss Youds for training them and organising the event and for our parents for helping out today.
