Dear parents, pupils, governors, staff and parishioners,

This week we started with a virtual assembly led by Sister Eleanor who works in schools teaching children about the work of Cafod. Sister Eleanor told us all about Cafod and in particular about their latest Eyes of the World campaign. We have been asked to create eyes to show that we are watching the UK Government, and calling on them to stop the climate crisis and keep the world's poorest communities at the heart of decisions this year. This links with Pope Francis' key message "Climate change is a problem which can no longer be left to a future generation." Every child here at Our Lady's is creating eyes so that we can show we want act. Year 5/6 have done a great job with theirs.

Every class has been working really hard again this week particularly in their writing. Class Teacher's in every year group from Reception upwards and myself have been blown away with the quality of work children are producing and their vocabulary choices. We are so proud of how hard every child is working in English across the school.

Teacher Training Day 28th May

Reminder that school will be closed Friday 28th May for our training Day. The dates for next academic year 21/22 can also be found at the bottom of this newsletter and on our website.

Swimming Pool

After the success of us having the 'Pop up' Swimming pool two years ago we are excited to be able to have it again now that restrictions allow. It is being set up next week on the playground with lessons running the week before and after half term. A more detailed letter will follow plus confirmation of the first week's timetable for the children in Reception and KS1 who will not need their kits in every day. I'm sure this will be very welcomed by the children who have missed so much of their normal after school swimming lessons due to the pandemic.

Polite request to respect our neighbour's property and gardens

Unfortunately, I received a phone call in the week from one of our neighbours who has witnessed on numerous occasions children walking on her wall and trampling on the flowers that she has planted. Can we please make sure that when children are walking to your cars they are respectful of people's property? It is really sad if this is the impression we are giving our neighbours.
