Learning to Love; Loving to Learn

Dear parents, pupils, governors, staff and parishioners,

We have had fun in school today with our 'Break the Rules day,' organised by our Head and Deputy boys and girls. We have raised over £200 which is amazing – thank you! The money is going towards buying a legacy bench that will have all of the Year 6's names engraved on it each year when they leave.

Also this week I had the privilege of recruiting a team of Peer Wellbeing Champions. Well done to all the children that applied. I loved interviewing the children yesterday and hearing their wonderful ideas. On Monday afternoon the children will all be trained in their new role ready to help their peers around school.

Multi Academy Letter

Last week sent separately, there was an important letter from Peter Griffin our Chair of Governors explaining our plans to join Our Lady of the Magnificat Multi Academy Company.

Our conversion into the MAC will be the 1st April 2023.

This is a really exciting prospect for our little school as we will still keep our own unique identity but have stronger connections and partnerships with the other Warwickshire Catholic schools.

Please do read the letter as it has lots of key information and FAQs which you will find useful.

PTA REQUEST:

Please can any Christmas jumpers be donated to school if they no longer fit. These will be sold at a future PTA event. Thank you.

COVID-19

Please see below guidance for if your child/anyone in the household develops COVID-19 symptoms:

What to do if you/your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If anyone in the household develops any of these symptoms of COVID-19, they should remain at home and arrangements should be made for them to be tested. This should be an NHS PCR test taken at a test site and NOT a rapid test taken at a community testing site (an LFT test). Anyone that attends one of our community testing sites with symptoms of COVID-19 will be redirected. When COVID-19 is circulating, it is worth also being aware of the wider symptoms of COVID-19 including: sore throat, headache, muscle ache, fatigue, shortness of breath, blocked/runny nose, diarrhoea and vomiting, and cold-like symptoms.

Household members of the symptomatic individual who are over 18 years and 6 months and not fully vaccinated, must also stay at home whilst awaiting the PCR result - they should not go to work, school or public areas, even for exercise.

Testing can be arranged by ringing 119 or booking online: <https://www.gov.uk/get-coronavirus-test>

Should the PCR yield a positive result, we would ask that you isolate and follow national "Stay at Home" guidance:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>

We are asking you to do this to reduce the further spread of COVID 19 to others in the community. If you need support with isolation, please contact Warwickshire County Council on 0800 408 1447. Further information is available at nhs.uk/coronavirus

CHANGES TO THE SELF-ISOLATION PERIOD FOR THOSE WHO TEST POSITIVE FOR COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 AND they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further information on self-isolation for those with COVID-19 is available.
