Learning to Love; Loving to Learn

Ofsted
Good School

Dear parents, pupils, governors, staff and parishioners,

Another busy week here at Our Lady's with lots of exciting learning taking place. Our Year 1/2 class had a great time on Wednesday visiting the Snow Dome in Tamworth linked to their topic work and English. On Wednesday the Year 6 girls visited Coventry Transport Museum to be immersed into the world of Motorsport. They had a great day learning all about engineering, maths and science and seeing how those skills could help them get a job in motorsport in the future.

We also have a superstar goalkeeper in Year 2! We are so proud of Charlie who signed a pre contract for Aston Villa this week. We wish him all the best now as he works his way through the academy. 😊

REMINDER

 School Dinner Menu
will be different on the
following days:

1st, 2nd & 3rd March 22

see choices below

PTA Green Tokens

From Feb 1st until midnight 31st of May. We are asking all families to go online and vote for Our Lady's so we are in with a change of getting a cash prize.

We could win £500 for first place, £400 for second and £300 for third.

All you need to do to vote is to visit www.asda.com/green-tokens

You get 1 vote every 7 days, however if you use a different device you can register another vote! Please help us.

PTA REQUEST:

Our Lady's PTA challenge our pupils to each raise **£20.22.**

You can do it individually or as a family. How you do it is up to you. You could use the number 22 as inspiration...you could do a 22km walk, bike ride, or swim; maybe help your family with 22 jobs, score 22 goals, sell 22 cupcakes, perform a 22 minute dance, or 22 minute silence (or 22 hours?!)... the possibilities are endless!! We can't wait to see what ideas you come up with!! £20.22 is your target but there is no minimum amount needed to join in and no maximum amount should you be able to raise more. We'd love to see the whole family having some fun whilst raising some money for our wonderful school. Pictures and videos of your endeavours are gratefully received! There will be prizes for the pupils who can raise the most money and one for who raises money in the most imaginative way. Please return all completed forms and money raised by the 4th March 2022 to the school office in a labelled envelope.

All Sorts Magazine

Here is the link to the Jan/March digital version of Allsorts magazine <https://bit.ly/3GTFs5x> ALLSORTS JANMARCH22

you can tap straight to advertisers' websites when viewing the mag on your phone (please mention allsorts). There are lots of activities to keep you busy this half-term, and services to help your family. You can view this issue at www.allsortsmag.com too or on the allsorts Facebook page soon. Stay safe and take care - Michelle Love (Editor).

COVID-19

Please see below guidance for if your child/anyone in the household develops COVID-19 symptoms:

What to do if you/your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If anyone in the household develops any of these symptoms of COVID-19, they should remain at home and arrangements should be made for them to be tested. This should be an NHS PCR test taken at a test site and NOT a rapid test taken at a community testing site (an LFT test). Anyone that attends one of our community testing sites with symptoms of COVID-19 will be redirected. When COVID-19 is circulating, it is worth also being aware of the wider symptoms of COVID-19 including: sore throat, headache, muscle ache, fatigue, shortness of breath, blocked/runny nose, diarrhoea and vomiting, and cold-like symptoms.

Household members of the symptomatic individual who are over 18 years and 6 months and not fully vaccinated, must also stay at home whilst awaiting the PCR result - they should not go to work, school or public areas, even for exercise.

Testing can be arranged by ringing 119 or booking online: <https://www.gov.uk/get-coronavirus-test>

Should the PCR yield a positive result, we would ask that you isolate and follow national "Stay at Home" guidance:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>

We are asking you to do this to reduce the further spread of COVID 19 to others in the community. If you need support with isolation, please contact Warwickshire County Council on 0800 408 1447. Further information is available at nhs.uk/coronavirus

CHANGES TO THE SELF-ISOLATION PERIOD FOR THOSE WHO TEST POSITIVE FOR COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 AND they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further information on self-isolation for those with COVID-19 is available.

COVID-19 immunisation

Enjoy life. Protect yourself.

We can cure physical diseases with medicine, but the only cure for loneliness, despair, and hopelessness is love.

Workers Of The Week

4th February 2022

	Year N & R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
