Ofsted
Good School

Dear parents, pupils, governors, staff and parishioners,

This week in school all children have taken part in class liturgies and also learnt about E-Safety. Year 1/2 enjoyed a session yesterday learning how to stay safe on their scooters.

On Friday 18th February we are having a whole school 'French' themed day. Each class will have a Francophone country assigned to them and will take part in a range of activities throughout the day learning about aspects of that country and the French language. We are asking that children come into school in non uniform for a £1. Donations from this will be put towards a new French scheme for the school.

Just a reminder that break-time snacks should be healthy only e.g. cereal bars or fruit. Thank you for your support.

REMINDER

School Dinner Menu
will be different on the
following days:

1st, 2nd & 3rd March 22

see choices below

PTA Green Tokens

From Feb 1st until midnight 31st of May. We are asking all families to go online and vote for Our Lady's so we are in with a change of getting a cash prize.

We could win £500 for first place, £400 for second and £300 for third.

All you need to do to vote is to visit www.asda.com/green-tokens

You get 1 vote every 7 days, however if you use a different device you can register another vote! Please help us.

PTA REQUEST:

Our Lady's PTA challenge our pupils to each raise **£20.22.**

You can do it individually or as a family. How you do it is up to you. You could use the number 22 as inspiration...you could do a 22km walk, bike ride, or swim; maybe help your family with 22 jobs, score 22 goals, sell 22 cupcakes, perform a 22 minute dance, or 22 minute silence (or 22 hours?!)... the possibilities are endless!! We can't wait to see what ideas you come up with!! £20.22 is your target but there is no minimum amount needed to join in and no maximum amount should you be able to raise more. We'd love to see the whole family having some fun whilst raising some money for our wonderful school. Pictures and videos of your endeavours are gratefully received! There will be prizes for the pupils who can raise the most money and one for who raises money in the most imaginative way. Please return all completed forms and money raised by the 4th March 2022 to the school office in a labelled envelope.

All Sorts Magazine

Here is the link to the Jan/March digital version of Allsorts magazine <https://bit.ly/3GTFs5x> ALLSORTS JANMARCH22

you can tap straight to advertisers' websites when viewing the mag on your phone (please mention allsorts). There are lots of activities to keep you busy this half-term, and services to help your family. You can view this issue at www.allsortsmag.com too or on the allsorts Facebook page soon. Stay safe and take care - Michelle Love (Editor).

COVID-19

Please see below guidance for if your child/anyone in the household develops COVID-19 symptoms:

What to do if you/your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If anyone in the household develops any of these symptoms of COVID-19, they should remain at home and arrangements should be made for them to be tested. This should be an NHS PCR test taken at a test site and NOT a rapid test taken at a community testing site (an LFT test). Anyone that attends one of our community testing sites with symptoms of COVID-19 will be redirected. When COVID-19 is circulating, it is worth also being aware of the wider symptoms of COVID-19 including: sore throat, headache, muscle ache, fatigue, shortness of breath, blocked/runny nose, diarrhoea and vomiting, and cold-like symptoms.

Household members of the symptomatic individual who are over 18 years and 6 months and not fully vaccinated, must also stay at home whilst awaiting the PCR result - they should not go to work, school or public areas, even for exercise.

Testing can be arranged by ringing 119 or booking online: <https://www.gov.uk/get-coronavirus-test>

Should the PCR yield a positive result, we would ask that you isolate and follow national "Stay at Home" guidance:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>

We are asking you to do this to reduce the further spread of COVID 19 to others in the community. If you need support with isolation, please contact Warwickshire County Council on 0800 408 1447. Further information is available at nhs.uk/coronavirus

CHANGES TO THE SELF-ISOLATION PERIOD FOR THOSE WHO TEST POSITIVE FOR COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 AND they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further information on self-isolation for those with COVID-19 is available.

COVID-19 immunisation

Enjoy life. Protect yourself.

Whatever our religion, we know that
if we really want to love, we must
first learn to forgive before anything
else.

— Mother Teresa —
