Learning to Love; Loving to Learn

Ofsted
Good School

Dear parents, pupils, governors, staff and parishioners,

It has been lovely this week to welcome parents in for parent consultations. We hope you found the meetings informative. Thank you so much to everyone that has brought money in to fill our LENT jars and also to everyone who donated towards the cake sale today – the cake sale raised over £80! Our next Lent event is Friday 1st April where children will be doing a walk for hunger around the school grounds. We are asking for each child to bring in £1 for this event. All our fundraising will be going towards Cafod who are supporting the Ukrainian humanitarian response.

Please can we ask that no children are playing on the trim trail before or after school. It should only be used within school time when staff are supervising.

Just a reminder that after Easter children can wear their summer uniform. We will have some uniform items for sale at our Duck Race.

I hope you have a lovely weekend in the sunshine!

REMINDER

Polite reminder to request parents check your Parent Pay account and pay all outstanding bills.

Thank you in advance

Football Superstars!

Well done to our wonderful football team who played in their final tournament last night. The whole team played so well and we had a couple of very well deserved wins. We are incredibly proud of every player this season but in particular we are proud of their wonderful sportsmanship encouraging each other not only on their team but the opposing sides too.

Thank you to Mrs O'Connor and Mr Quinney for leading the team so well.

For your information

25th March 2022

If you have COVID-19, stay at home and avoid contact with other people

If your day 5 LFD test result is positive, you can continue taking LFD tests until you receive 2 consecutive negative test results.

Children and young people with COVID-19 should not attend their education setting while they are infectious. They should take an LFD test from 5 days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should return to their educational setting if they normally attend one, as long as they feel well enough to do so and do not have a temperature. They should follow the guidance for their educational setting.

Avoid meeting people at higher risk of becoming seriously unwell from COVID-19, especially those with a severely weakened immune system, for the 10 days after your symptoms started (or the day your test was taken if you did not have symptoms).
