Learning to Love; Loving to Learn

Ofsted
Good School

Dear parents, pupils, governors, staff and parishioners,
Thank you so much to everyone that supported the Duck Race on Saturday. It was such a fun event and raised over £1300. Huge thank you to Kirsty and the PTA for organising such a wonderful event. We look forward to racing ducks again next year! We would like to say a huge thank you to everyone for all the donations we have had for our Lenten Charities. The House Team jars in the hall alone raised £240 which is incredible. Cafod and Father Hudson's will be delighted with the schools generosity.

This morning we had a very reflective assembly thinking about Jesus' journey to the cross. All children in school are going home today with a beautiful cross made from the branches of our fallen oak tree. Thank you to Mrs Manning and Mrs VP for making the crosses for the children.

A huge thank you to our wonderful staff for their hard work this term and our super children for trying their hardest. I hope you all have a wonderful Easter break.

Prayer for Ukraine

PRAY FOR UKRAINE

Loving God,
We pray for the people of Ukraine,
for all those suffering or afraid,
that you will be close to them and protect them.

We pray for world leaders,
for compassion, strength and wisdom to guide their choices.

We pray for the world
that in this moment of crisis,
we may reach out in solidarity
to our brothers and sisters in need.

May we walk in your ways
so that peace and justice
become a reality for the people of Ukraine
and for all the world.

Amen.

Covid 19 Updated information

What to do if you/your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If anyone in the household develops any of these symptoms of COVID-19, they are strongly advised to remain at home and avoid contact with others. They can return to normal activities when well and they do not have a temperature. If they have tested positive for COVID-19, it is recommended they stay at home and avoid contact with others for 5 clear days (for adults) or 3 clear days (for children) after the day their symptoms started (or the day they tested if they have no symptoms), and until they are well and have no temperature. When COVID-19 is circulating, it is worth also being aware of the wider symptoms of COVID-19 including: sore throat, headache, muscle ache, fatigue, shortness of breath, blocked/runny nose, diarrhoea and vomiting, and cold-like symptoms.

We are asking you to do this to reduce the further spread of COVID 19 to others in the community. If you need support with isolation, please contact Warwickshire County Council on 0800 408 1447.
