Dinosaur Fun!

Reception and Nursery have had great fun this week watching their dinosaur egg hatch.

Unfortunately the dinosaur escaped!

The children left out dinosaur food and set a trap to try and catch the dinosaur but it keeps out smarting them... Will they be successful and who will clean up the big pile of dinosaur poo?

Prayer for Ukraine

PRAY FOR UKRAINE

Loving God,
We pray for the people of Ukraine,
for all those suffering or afraid,
that you will be close to them and protect them.

We pray for world leaders,
for compassion, strength and wisdom to guide their choices.

We pray for the world
that in this moment of crisis,
we may reach out in solidarity
to our brothers and sisters in need.

May we walk in your ways
so that peace and justice
become a reality for the people of Ukraine
and for all the world.

Amen.

Covid 19 Updated information

What to do if you/your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If anyone in the household develops any of these symptoms of COVID-19, they are strongly advised to remain at home and avoid contact with others. They can return to normal activities when well and they do not have a temperature. If they have tested positive for COVID-19, it is recommended they stay at home and avoid contact with others for 5 clear days (for adults) or 3 clear days (for children) after the day their symptoms started (or the day they tested if they have no symptoms), and until they are well and have no temperature. When COVID-19 is circulating, it is worth also being aware of the wider symptoms of COVID-19 including: sore throat, headache, muscle ache, fatigue, shortness of breath, blocked/runny nose, diarrhoea and vomiting, and cold-like symptoms.

We are asking you to do this to reduce the further spread of COVID 19 to others in the community. If you need support with isolation, please contact Warwickshire County Council on 0800 408 1447.

HAVE YOUR SAY...

Warwickshire County Council (WCC) are reviewing the way parents and carers apply for a school place for their children. As part of this review, they want to understand what matters most to those involved and are asking for your feedback on using the service and Parent Portal. The information provided will help design, manage and improve the way in which this system operates.

If we could please encourage you to complete the questionnaire and help them understand what is important to you when deciding on a suitable place for your child to learn. The questionnaire will take around 5 minutes to complete and is anonymous, it asks you about your experiences and what matters to you along with some general information about your family.

Please do share as much as you can about your experience to help inform the future system to ensure the best experience for parents and carers in the future.
