Good School

Dear parents, pupils, governors, staff and parishioners,

Huge well done to our Year 6 pupils who took their SATS tests this week. We are incredibly proud of how hard they worked and know that they have each done their best. They have enjoyed a relaxing day today with their fellow Year 5 classmates. Children are now looking forward to rehearsing their end-of-year play 'Matilda' which will be performed on the evening of Monday 18th July

The swimming pool is all set up ready for action! KS2 children
Need to bring their kits in every
day unless told otherwise.
Reception and Year 1/2 will
have the information of when
The children need their kits
posted on Dojo.

Have a lovely weekend.

We recognise that parking is tight, however, please could I remind parents to be considerate and respectful of our neighbours when parking during the school run.

As adults, we need to set an example for our children and treat everyone with kindness and respect.

Loving God,
We pray for the people of Ukraine,

Covid 19 Updated information

What to do if you/your child develops symptoms of COVID 19

For most people, especially children, COVID-19 will be a mild illness.

The most common symptoms of COVID-19 are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

If anyone in the household develops any of these symptoms of COVID-19, they are strongly advised to remain at home and avoid contact with others. They can return to normal activities when well and they do not have a temperature. If they have tested positive for COVID-19, it is recommended they stay at home and avoid contact with others for 5 clear days (for adults) or 3 clear days (for children) after the day their symptoms started (or the day they tested if they have no symptoms), and until they are well and have no temperature. When COVID-19 is circulating, it is worth also being aware of the wider symptoms of COVID-19 including: sore throat, headache, muscle ache, fatigue, shortness of breath, blocked/runny nose, diarrhoea and vomiting, and cold-like symptoms.

We are asking you to do this to reduce the further spread of COVID 19 to others in the community. If you need support with isolation, please contact Warwickshire County Council on 0800 408 1447.
